RE: Response to December 23, 2021 Letter on behalf of Voto Latino

Dear Mr. Uzoma Nkwonta,

We are in receipt of your letter to Mr. Remi Garza on behalf of Voto Latino. Please let this serve as a response to that letter regarding Section 8 of the National Voter Registration Act ("NVRA").

Cameron County has suspended any systematic voter removal programs. Cameron County has not suspended nor removed registered voters due to the Possible Non-Citizen Notices mailed out on November 15th or later. No additional action will be taken until after the Federal elections on either the March 1st (Primary Election) or May 24th (Runoff Election). Furthermore, the Cameron County Voter Registrar will immediately reinstate any registrations cancelled in contravention of the NVRA.

Thank you for attention to this matter.

Respectfully,

JUAN A. GONZALEZ
